

CaféAway® is an exceptional coffee and tea stain remover that does not require rinsing. It is also excellent for whitening area rug fringes. This two-part product is easy to prepare by mixing equal parts of Part 1 with Part 2. CaféAway has more active ingredients than other multi-part products, thus accelerating penetration and facilitating the breakdown of various stains and discolorations.

DILUTIONS

Mix equal parts of CaféAway Part 1 with CaféAway Part 2 (1:1).

DIRECTIONS

- 1) Pretreat the affected areas with Kleenrite Spot Doctor™ or General Spotter, then rinse with water. This will remove any residue, such as cream or sugar. Make a dry vacuum pass or blot the area with a dry, white cloth.
- 2) Prepare CaféAway solution by following the dilutions listed above. Make only enough solution to treat the stain; once mixed, the solution will diminish over time (remains active for approximately 2 hours after mixing).
- 3) Always test for color stability before use.
- 4) Apply the CaféAway solution onto the affected areas with a sprayer. For carpet, saturate the area without over-wetting. On high pile carpet, gently agitate with a soft bristle brush or bone scraper. For upholstery, apply until fabric is damp; do not saturate.
- 5) Allow the treated areas to dry naturally. If necessary (such as on wool), rinse treated area.
- 6) Repeat, if necessary.

TECHNICAL DATA

pH at use dilution	7.00
Compound type	nonionic
Water solubility	complete
Freeze/thaw stable	yes
VOC compliant	yes
Shelf-life, years	2+ (unmixed)

AVAILABLE SIZES

two gallon set

ADVANTAGES AND USAGES

- ▶ Effective on a variety of stains, including *Kool-Aid®, soy sauce, wine, soda, iodine, barbecue sauce, blood, toner, fruit juice, tomato sauce, urine and water marks.
- ▶ Excellent for whitening Oriental and area rug fringes.
- ▶ Safe for use on all New Generation carpet and natural fibers, such as wool and cotton.
- ▶ Two-part system; highly synergistic.
- ▶ Exceptional color reversal properties.
- ▶ User safe. Environmentally friendly.

*Kool-Aid is a registered trademark of Kraft Food Holdings, Inc.

CUSTOMER INFORMATION

Hypoallergenic when dry.
Leaves no soil-attracting residue.
Permanently removes unsightly stains.
Nontoxic. Biodegradable.
