

KLEENRITE CHEMICAL

Faster Cleaning • Better Performance • Safer Solutions®

Drapery Solution

[ready-to-use dry cleaning solution]

Drapery Solution provides exceptional cleaning results on all drapery fabrics, including latex backed. It contains color brighteners and leaves a pleasant scent. This product will not shrink, wrinkle or watermark drapes. Our non-chlorinated formula has a fast drying time, and is recyclable for added savings.

DILUTIONS

Do not dilute. This product is ready-to-use.

DIRECTIONS

- 1) Shake gently before use.
- 2) Always test for color stability before use.
- 3) Pour contents into solution tank of solvent compatible equipment.
- 4) Proceed to clean using overlapping strokes.
- 5) If desired, KleenGuard® solvent base protector may be applied immediately after cleaning.

Note: Used solution may be reclaimed and recycled for further use. Amount of reclaimable solution will vary according to soil conditions and fabric absorption rate.

TECHNICAL DATA

pH at use dilution na
 Compound type dry solvent
 Water solubility..... insoluble
 Freeze/thaw stable yes
 VOC compliant yes
 Shelf-life, years 10+

AVAILABLE SIZES

US gallon . 55-gallon drum
